Announcement

The Foundation for Research in Dermatology will sponsor an intensive 2-day course entitled "Histologic Diagnosis of Inflammatory Skin Diseases: A Method by Pattern Analysis" to be given by Dr. A. Bernard Ackerman, Professor of Dermatology and Pathology and Director of Dermatopathology, New York University School of Medicine, at the Catholic University in Rome, Italy, on Friday and Saturday, April 20 and 21, 1979. Enrollment is limited, and enquiries should be directed to Dr. Ferdinando Serri, Professor and Chairman, Dept. of Dermatology, Università Cattolica, Largo Gemelli 8, Rome, Italy.
